Dear Prospective Parents/Guardians!

We are thrilled to announce that we are accepting application for possible enrollment into the Clara Science Academy Charter School for grades level K-2.

To be considered for acceptance into the Clara Science Academy Charter School, please complete the application and return it in the envelope provided.

Clara Science Academy mission is to prepare globally conscious citizens of the future in a positive, inclusive learning environment of educational excellence based on scientific inquiry, project-based learning, reasoning, and investigation.

What is CSA offering you and your child?

- A choice of Chinese, Arabic and Spanish Language courses in conjunction with a STEM (Science, Technology, Engineering, and Math) based curriculum and school culture.
- Small class size
- A low student-teacher ratio so that teachers can give your child more personal attention and support their social and emotional needs.
- Extended school day with extensive after-school activities (Science Fairs, Lego Programs, Robotics Programs, etc.)
- summer school to provide the attention that an at-risk population, including ELL students, students with disabilities, and economically disadvantaged students, need to succeed.
- After school care

We thank You for your interest in Clara Science Academy and we look forward to helping your children develop into intellectually, morally, and physically excellent citizens who embraces learning and the desire to serve.
